

Alfresco Home Marble Mosaic Features and Benefits

- **Hand-cut materials, Italian design, 16 designs available!**
- Constructed of durable and natural travertine, marble and slate.
- Mosaic tops are hand-set, grouted with industrial adhesives for maximum durability and sealed for superior protection.
- Natural aging of the Earth's natural stone should be expected.
- Normal voids in stone surface can be found
- Color oxidation of stone occurs as a common reaction to the outdoors.
- **Sturdy hand-hammered wrought iron chairs and table bases**
- Tables top sizes available for entertaining up to 10 guests.
- Wrought iron frames are Electro-statically-Coated to create a weather resistant coating to delay the onset of rust.
- Numerous table sizes...bistro, café and dining! For outdoors and in!
- One year warranty on frame construction from date of purchase!
- It is advisable to treat iron frames with liquid wax from time to time for maximum protection against UV light...just like you would your car!
- **Wide assortment of accessories including** side tables and baker's racks.
- Wine side boards, coffee tables & butler stations excellent for indoor use.
- Fire-pits and beverage cooler tables available in 30" and 48" models.
- Over-winter with table top covers for best care. Re-seal annually!
- Factory supplied cushions are foam core and covered in water resistant fabric mix of polyester and cotton.
- Clean surface with mild soap & water & dry thoroughly.
- Never use detergents or abrasives to clean the tops or frames.
- **Thank you for purchasing your Alfresco Home marble mosaics!**
